Dear Parents/ Carers,

Welcome back to another school year, and a special welcome to all our new families and children who have joined us in both Reception and our newly opened Nursery. We have also welcomed a number of new staff across the school to cater for our increase in pupils, who I am sure you will meet over the next couple of weeks.

Class teachers and teaching assistants are available for quick chats both at the start and end of the school day, if you wish to discuss anything in more detail then it is best to arrange a mutually convenient time. All the teachers can also be contacted via email; details are at the bottom of this letter.

DIARY DATES

Attached to this letter are all the dates and events for the academic year; we have tried to put in all the major school events so you can plan ahead and we will do our very best to keep these dates fixed, further information will always follow closer to the time. Paper copies can be collected from the school office if you wish.

AFTERSCHOOL CLUBS AND ACTIVITIES

You should have already received information from Premier Sport regarding their afterschool clubs. Some of you may have received letters which were intended for another school, however I can confirm that Premier sports are offering Gymnastics on a Monday, Multi-sports on a Tuesday and Football on a Thursday (these clubs are chargeable and open to all pupils). Please visit www.premier-education.com to book your child's place. No bookings can be made via the school office.

Teacher led clubs are free and open to children from Year 1 upwards and further details regarding Autumn Term after school clubs will be sent via email tomorrow (Wednesday 13th September). PLEASE NOTE: all clubs will now exit from the hall doors at the front of school and not onto the playground.

PARKING

At the start of the new school year can I please remind all parents that the best way to bring children to school in the morning is by walking, scooting or riding a bike and an active start to the morning helps children be ready for the day ahead of them. If you do need to bring your car then please consider parking away from the school and walking the last part, not only does this give your child some exercise first thing but it also makes it safer for all children near the school.

Can I also take this opportunity to remind parents that you must not park (or even drop children off) on the double yellow or zigzag lines outside school. This is not only an offence but incredibly dangerous for children and families trying to cross the zebra crossing. If you use the car park, then please drive and park safely and considerately and do not use the disabled spaces unless you hold a blue badge.
