

14 March 2024

Dear Parents/Carers,

## Year 5 Leicester Space Centre Trip – Friday 26<sup>th</sup> April 2024

In Science the children have learned about Earth and Space. This is a key part of the curriculum and a visit to the National Space Centre will be a fantastic opportunity to apply the knowledge learned. The children will also deepen their understanding of our Solar System, the history of space exploration and concepts such as gravity.

The trip will take place during the school day so special arrangements do not need to be made, but all children will require a packed lunch (including a snack & water) on this day. Please can you ensure that your child is wearing their school uniform and sensible shoes.

We are requesting a voluntary contribution of £10 per child towards the cost of admission and coach travel. There is no obligation to pay this cost and no child will be excluded from the trip if you are unwilling or unable to pay, but if insufficient contributions are received then the trip may have to be cancelled.

The cost of the trip has been loaded on to ParentPay for you to pay at your convenience, but we request that payment is made by Friday 19<sup>th</sup> April 2024.

We do need permission from yourself for your child to be able to attend the Space Centre so please complete the permissions using this link <https://forms.office.com/e/uCtmSxcXf1> This will need to be completed by Friday 19<sup>th</sup> April 2024.

Kind regards

Mrs Chrissie Barrington  
Executive Principal
