

# All about me and Autumn

## All about me:

### Key Vocabulary:

- What is a Self-portrait? - A painting or drawing that you do of yourself.
- What are the features of the body? These are all the individual parts which make up your body. (Head, shoulders, arms, legs, feet, and lots more)
- Family- a group of people living together.
- Immediate family: Your parents, brothers, or sisters.
- Extended family: Grandparents, aunties, uncles, and cousins.
- Hygiene – how we can care for our bodies to help keep them safe and clean.

### Key facts:

- To identify and name features of their bodies.
- To identify who is in the immediate family.
- To identify who is in the extended family.
- To be able to identify ways to manage their basic hygiene- through washing hands, brushing teeth, having a bath

## Autumn:

### Key Vocabulary:

- What is autumn: it is a season (between summer and winter).
- Season: there are four seasons in a year, which are determined by weather patterns and daylight hours. The four seasons are Spring, Summer, Autumn, and Winter.
- Hibernation: a way in which animals conserve energy to survive during weather conditions. (They tend to sleep through the winter).
- Leaves- during autumn the leaves change colour (red, yellow, orange, and brown) and begin to fall off the trees.
- Harvest festival: an annual celebration of the food grown on the land.

### Key facts:

- To recall that autumn is one of the four seasons.
- To be able to identify the difference in the weather during autumn.
- To be able to identify key features of the changes we see in autumn.
- Talk about what they have observed during autumn.
- Recall that autumn is between September and November in the UK.
