

# THIS IS ME!

During the topic, we will be learning to identify the different parts of our bodies and our five senses. We will also talk about the different emotions and begin to understand our own feelings as well as those of others.

We will also discuss how each of us is different and why we are special in our own way. This is me!

Eye	Ear	Mouth	Nose	Skin
				
Seeing	Hearing	Tasting	Smelling	Feeling

Key Vocabulary	Definition
Human	A man, woman or child. People are humans. They are animals that walk on two legs and speak using words.
Senses	Ways in which our bodies can notice things around us by; seeing, hearing, smelling, tasting or feeling.
Eyes	Our eyes help us to see things around us.
Ears	Our ears help us to hear things around us.
Mouth	Our mouth helps us to taste things.
Nose	Our nose helps us to smell things.
