Dear Parent / Carer,

Applying for place in Reception in primary and infant schools for September 2023

We are writing to you at the address above as our records show that there may be a child living there who will be eligible to start school in September 2023. If your child's 4th birthday falls between 1st September 2022 and 31st August 2023, you will need to apply for their primary school place, if you haven't done so already.

How to apply

It is quick and easy to apply is online at www.northnorthants.gov.uk/admissions. The application process opened on 9th September 2022 and you will need to register using an email address. Alternatively, you may wish to complete a paper application form which you can request from the School Admissions Team (contact details above).

You may also download a copy of the composite prospectus from our website; 'Applying for a Primary School Place in North Northamptonshire 2023/24', and you are advised to read this carefully before making your application.

In addition to your application form, some schools will also require you to complete a supplementary information form (SIF). The list of the schools for which you need to complete a SIF can be found on our website. SIFs must be returned directly to the school. For schools requiring a SIF, your application will not be complete unless you complete and return both the application form and the SIF by the closing date.

Closing date for applications

Your application form must reach us by **15th January 2023**. If your application is late (ie you miss the deadline of 15th January 2023), this may affect your chances of obtaining a place for your child at one of your preferred schools.
