Corby Primary Academy

Parent Guide: Safeguarding 2026-2027

Safeguarding is Everyone's Responsibility

At Corby Primary Academy, the safety, wellbeing and happiness of every child is our highest priority. We work closely with families to ensure children feel safe, listened to and supported every day.

What is Safeguarding?

Safeguarding means:

- Keeping children safe from harm
- Supporting children's physical and emotional wellbeing
- Listening to children and taking their worries seriously
- Providing help and support as soon as concerns arise
- Teaching children how to stay safe online
- Working together with families and other agencies when needed

Safeguarding is much more than child protection. It is everything we do to help children grow up safe, healthy and able to achieve their best.

Our Safeguarding Culture:

- Establish and maintain an ethos where children feel secure, are encouraged to talk and are listened to.
- Ensure that children know there are adults in the Academy who they can approach if they are worried or in difficulty.
- Ensure that effective working relationships with parents and colleagues from other agencies are established.
- Operate safe recruitment procedures and make sure that appropriate checks are carried out on new staff and volunteers.
- Ensure that all staff are familiar with the procedures to follow if a child makes a disclosure.
